

CONTRACTORS – WANT MORE WORK?

The Town of Hampton invites general contractors to participate in the Hampton Regional Housing Rehabilitation Program (HRHRP). The Program has funding from FY2015 and FY2016 Small Cities Program CDBG grants from the CT Department of Housing. It provides financial assistance to improve residential properties in six towns in northeast Connecticut.

The Program seeks contractors interested in bidding on its jobs. Contractors must be registered with the HRHRP to bid. Enrollment is on an ongoing basis. For information and a registration form, contact the HRHRP at (860) 455-9132, ext. 8, on Tuesday 10:00-1:30 and Thursdays, 10:00-4:00. A message may be left at other times.

The Town of Hampton encourages participation by certified Section 3, Small, disadvantaged-, minority- and/or women-owned business enterprises. Hampton is an Equal Opportunity/Affirmative Action Employer.
